

(Break it down, break it down, let me break it down  
Break it down)

I was checking this girl next door  
When her parents went out  
She phoned said, "hey boy, come on right around"  
So I knock at the door  
You was standin' with a bottle of red wine, ready to pour  
Dressed in long black satin and lace to the floor  
So I went in, then we sat down start kissing, caressing  
Told me about jacuzzi, sounded interesting  
So we jumped right in  
All calls diverted to answer phone  
Please leave a message after the tone  
I mean me and her parents were kind of cool  
But they ran a fine line between me and you  
We were just doing things young people in love do  
Parents tryna find out what we were up to  
Say, parents tryna find out what we were up to  
Oh yeah  
Saying, fill me in  
Why were you creeping round  
Why were you creeping round late last night  
Can you fill me in  
Why were you creeping round  
Why were you creeping round late last night  
Can you fill me in  
Why were you creeping round  
Why were you creeping round late last night  
Can you fill me in  
Why were you creeping round  
Why were you creeping round late last night

Its best at sixteen, it's sick with sixteen  
I been doing doing this since I was sixteen  
Been a few years, let's call it sixteen  
A brand new flow for two thousand sixteen  
Its best at sixteen, it's sick with sixteen

Seems like I'm living a dream  
Nineteen ninety nine when I first came on the scene

Whenever the coast was clear and she'd ask me to come out  
I'd say, "hey girl, come on right around"  
So she knocked at the door  
I was standing with the keys in my hand to the 4x4  
Jumped in my ride, checkin' that nobody saw  
The club we went in  
We got down bounced bounced to the rhythm  
Saw it was early morning  
Thought we'd better be leavin'  
So I gave you my jacket for you to hold  
Told you to wear it cause you felt cold  
I mean me and her didn't mean to break the rules  
I weren't trying to play your mum and dad for fools

We were just doing things young people in love do  
Parents tryna find out what we were up to

Saying, fill me in  
Why were you creeping round  
Why were you creeping round late last night  
Can you fill me in  
Why were you creeping round  
Why were you creeping oh yeah, oh yeah  
Can you fill me in  
Why were you creeping round  
Why were you creeping round late last night  
Can you fill me in  
Why were you creeping round  
Why were you creeping round late last night
