

# Human

Craig David

(To the heartbeat tocking on, stop, stop  
To the heartbeat clocking on, stop, stop  
To the heartbeat clocking on, stop, stop  
To the heartbeat tocking on, stop, stop)

(To the heartbeat tocking on, stop, stop  
To the heartbeat clocking on, stop, stop  
To the heartbeat clocking on, stop, stop  
To the heartbeat tocking on, stop, stop)

Come on baby, dry your eyes  
Wipe your tears  
Never meant to see you cry

(Craig David's on the rise, ah, uh, check it out)

I wouldn't ever try to hurt you  
I just needed someone to hold me  
To fill this void while you were gone  
To fill this space of emptiness

Oh Lady  
I'm only human  
Of flesh and blood I'm made  
I'm only human  
Born to make mistakes

If you want to say goodbye  
That's your deal  
I'll just have to serve my time  
'Til you're near, Lady

I wouldn't ever try to hurt you  
I just needed someone to hold me  
To fill this void while you were gone  
To fill this space of emptiness

Oh Lady  
I'm only human  
Of flesh and blood I'm made  
I'm only human  
Born to make mistakes

(To the heartbeat tocking on, stop, stop  
To the heartbeat clocking on, stop, stop  
To the heartbeat clocking on, stop, stop  
To the heartbeat tocking on, stop, stop)

(Craig David's on the rise, ah, uh, check it out)

I'm only human  
What am I supposed to do?  
I'm only human, lady  
Lady

I'm only human  
What am I supposed to do?

I'm supposed to make mistakes

I'm only human

I'm only human

What am I supposed to do now, baby?

What am I supposed to do?

I'm only human

What am I supposed to do, baby?

Human, lady

Human, human, baby

I'm only human, lady, lady

What am I supposed to do?

I'm only human, lady

I'm only human

What am I supposed to do?
