Human

Craig David

(To the heartbeat tocking on, stop, stop
To the heartbeat clocking on, stop, stop
To the heartbeat clocking on, stop, stop
To the heartbeat tocking on, stop, stop)

(To the heartbeat tocking on, stop, stop
To the heartbeat clocking on, stop, stop
To the heartbeat clocking on, stop, stop
To the heartbeat tocking on, stop, stop)

Come on baby, dry your eyes
Wipe your tears
Never meant to see you cry

(Craig David's on the rise, ah, uh, check it out)

I wouldn't ever try to hurt you
I just needed someone to hold me
To fill this void while you were gone
To fill this space of emptiness

Oh Lady
I'm only human
Of flesh and blood I'm made
I'm only human
Born to make mistakes

If you want to say goodbye
That's your deal
I'll just have to serve my time
'Til you're near, Lady

I wouldn't ever try to hurt you
I just needed someone to hold me
To fill this void while you were gone
To fill this space of emptiness

Oh Lady
I'm only human
Of flesh and blood I'm made
I'm only human
Born to make mistakes

(To the heartbeat tocking on, stop, stop
To the heartbeat clocking on, stop, stop
To the heartbeat clocking on, stop, stop
To the heartbeat tocking on, stop, stop)

(Craig David's on the rise, ah, uh, check it out)

I'm only human
What am I supposed to do?
I'm only human, lady
Lady

I'm only human
What am I supposed to do?

I'm supposed to make mistakes

I'm only human
I'm only human
What am I supposed to do now, baby?
What am I supposed to do?

I'm only human
What am I supposed to do, baby?
Human, lady
Human, human, baby
I'm only human, lady, lady
What am I supposed to do?
I'm only human, lady
I'm only human
What am I supposed to do?

I'm supposed to make mistakes

I'm only human
I'm only human
What am I supposed to do now, baby?
What am I supposed to do?
