

# I Wonder Why

Craig David

Love is a hunger that burns in my soul  
But you never noticed the pain.  
Love in an anchor that wont let me go  
I reached out to hold you  
But you push me away and you always convinced me to stay.  
And I wonder why we hold on with tears in our eyes  
And I wonder why we have to break down to make things alright  
And I wonder why I can't seem to tell you good bye Yeah,,, I wonder why

I'm no angel my selfish pride but I love you more everyday.  
Love is an anger that builds a pain inside as a tears of frustration roll down my face  
But is love always have to turn out this way  
And I wonder why we hold on with tears in our eyes  
And I wonder why we have to break down to make things alright  
And I wonder why I can't seem to tell you good bye OHHHH, I wonder why

I don't want to fight again tonight about the little things, please baby  
I just wanna find my way back to love Ohhhh  
I meet you there baby  
(hold on) (break down) (can't seem)

And I wonder why we hold on with tears in our eyes  
And I wonder why I wonder why we have to break down to make things alright  
And I wonder why I can't seem to tell you good bye  
I wonder why we hold on with tears in our eyes and I wonder why we have to break down to make things alright  
And I wonder why I can't seem to tell you good bye Oh yeah and I wonder why I wonder why  
NOO oh yeah I wonder why baby  
And I wonder why we hold on with tears in our eyes  
And I wonder why I wonder why we have to break down to make things alright  
And I wonder why I can't seem to tell you good bye
