

# Just My Imagination

Craig David

Imagine, imagine  
Hey hey, oh

You put your hand on my hand  
And you lead me to dance on the floor  
It was like we were both in a trace, like it felt  
Something more than you could disguise  
But behind your smile  
There was fear in your eyes

Did someone hurt you?  
Did they break your heart?  
Are the wounds still fresh?  
Do you heal the scars?  
Cause I just turn around  
And you disappeared, oh  
Were you even here?

Or was it my imagination?  
So real I can't believe this wasn't true  
Or was it my imagination?  
It put me in a time or place with you

Tell me girl what you are you running from  
(running from, running from)  
I can't help wondering where you've gone  
{where you've gone, where you've gone)  
I think it maybe I got it wrong  
(got it wrong, got it wrong)  
God damn I should have known that  
You were just a fantasy  
Was it my imagination?

Though I tried my best  
I still couldn't forget  
So I drive every night  
Past the spot where we met  
And I hope one day  
That I'll see your face  
But you're never here

Or was it my imagination?  
So real I can't believe this wasn't true  
Or was it my imagination?  
It put me in a time or place with you

Tell me girl what you are you running from  
(running from, running from)  
I can't help wondering where you've gone  
{where you've gone, where you've gone)  
I think it maybe I got it wrong  
(got it wrong, got it wrong)  
God damn I should have known that  
You were just a fantasy  
Was it my imagination?

Imagine, you and me together

And a love that will last forever  
Imagine, that it's late december  
Been a year but i still remember  
Imagine, meeting you meant to much to me  
Imagine, oh no

Or was it my imagination?  
So real i can't believe this wasn't true  
Or was it my imagination?  
It put me in a time or place with you

Tell me girl what you are you running from  
(running from, running from)  
I can't help wondering where you've gone  
{where you've gone, where you've gone}  
I think it maybe i got it wrong  
(got it wrong, got it wrong)  
God damn i should have known that  
You were just a fantasy  
Was it my imagination?
