## She's on Fire

She's on fire Ohhh, awww yeah Told you before baby

She's hot, hot, this ain't your typical pretty Sexy and witty, smashin' it in every city Cause she's hot, bump up on it, face is to lick And she's know it, 'cos she be looking (in this era) She's hot-ter than anything you screwed Ain't tryna be rude, dude She's straight finger lickin' like soul food She's hot, so nonchalant, ain't gotta front 'Cos a (coca cola bottle shape ah it a run de place)

Back in the day the girl they always use to laugh at Years of growin' up with people sayin' you're fat Found it so hard felt so alone dealin' with that Cryin' every night I was sixteen, whatcha say Face of a model imperfections made you hold back ?? that guys one day we sayin' you ain't all that Now they be wishin' they could get a piece of that Lookin' hot for everyone to see

She's on fire tonight She's on fire tonight She's on fire tonight She's on fire, she's on fire She's on fire tonight She's on fire tonight She's on fire, she's on fire

She's on (fire) She's on fire, (fire) She's on fire, (fire) She's on fire, told you before

She's hot, ain't afraid to be showin' you what she got Explorin' the spot, specially 'cos she can drop it like She's hot, fire to da street, she bringin' the heat And she knows it, 'cos she be lookin' (in this era) She's hot, kinda girl that got you all up in a twist, you can't resist So hot it's like she's straight takin' the .... She's hot, guys be like whoa girls you don't know (coca cola bottle shape ah it a run de place) yeah

Every day just tryna get up on the right track My girl be trippin' tryna sayin' her chest was so flat Messin' with your head till you started believing that Wouldn't stop until it hurt so deep, then one day Like a genie in a bottle said don't worry 'bout this whole fad (coca cola bottle shape ah) then grabbed your hands and hold that Now they be wishin' they could get a piece of that Lookin' hot for everyone to see

She's on fire tonight (so hot she got just what you want her for) She's on fire tonight (the kinda looks so sick you want her more)

## **Craig David**

She's on fire tonight (you shouldn't be hurtin' if your feeling sure) She's on fire, she's on fire (I don't know bout you but she's on fire) She's on fire tonight (and when she walks it's to be incredible) She's on fire tonight (so hot attentions get to, even more) She's on fire tonight (you shouldn't be hurtin' if your feeling sure) She's on fire, she's on fire (I don't know bout you but she's on fire) She's on (fire) She's on fire, (fire) She's on fire, (fire) She's on fire, told you before (look out look out girl how you 'ave de shape ) But she's all dat She's so hot you can't even hold dat Her fire make ya burn on contact Deep like dis track Now a days she don't need be hold back Sneaks out to da mall neva' crawl back Is you wan' be impress Quality time you neve' invest Got nuff money your arm she na interest 'Cos she dun' been blessed Back in da day when she na' 'ave all dis Now she done, tell no one else can calm dis' (reee-wind) Hear me now She's, hot (whicki whicki) sixteen bars Hot like Biggie rappin' one more chance over the bars She's hot, so hot she'll have you beggin' for more And even hotter when her Victoria Secrets drop to the floor (she's hot) Hot like Elle, hot like getting' down with Giselle What the hell, hot like sex back at the hotel (she's hot) But brace yourself, before you start to play yourself Because a (coca cola bottle shape ah it a run de place) She's on fire tonight (so hot she got just what you want her for) She's on fire tonight (the kinda looks so sick you want her more) She's on fire tonight (you shouldn't be hurtin' if your feeling sure) She's on fire, she's on fire (I don't know bout you but she's on fire) She's on fire tonight (and when she walks it's to be incredible) She's on fire tonight (so hot attentions get to, even more) She's on fire tonight (you shouldn't be hurtin' if your feeling sure) She's on fire, she's on fire (I don't know bout you but she's on fire) She's on (fire) ??, (fire) ??, (fire) ??, told you before (look out look out girl how you 'ave de shape) (fire) ??, (fire) ??, (fire) ??, told you before She's hot ?? (look out look out girl how you 'ave de shape) She's hot ??, told you before She's hot ?? Look out look out girl how you 'ave de shape Tištěno z WWW.txp.cz
