

## Flute Song

Cranes

Therefore . . . you are . . . all I wanted  
But so cold  
And you'll find me . . .  
Waiting all of the night . . .

Therefore . . . you are all I wanted

Would you find me?  
Would you find me?  
Would you find me my love?  
Would you find me?  
Would you find me?  
Would you find me my love?
