

We've got a lot to share.

It makes us stronger.

Sometimes it comes from nowhere, and takes us somewhere.

When you give all your love, it makes you stronger.

Sometimes it comes from nowhere and takes you somewhere.

When you give all your love, it makes you stronger.

Sometimes it comes from nowhere and takes you somewhere.

We've got a lot to share.

And it makes us stronger.

Sometimes it comes from nowhere, and takes us somewhere.
