### Crash Test Dummies

So no one told you life was gonna be this way  
Your job's a joke, you're broke, your love life's DOA  
It's like you're always stuck in second gear  
When it hasn't been your day, your week, your month  
Or even your year, but

I'll be there for you  
When the rain starts to pour  
I'll be there for you  
Like I've been there before  
I'll be there for you  
'Cause you're there for me too

You're still in bed at ten, though work begins at eight  
You burned your breakfast, so far things are going great  
Your mother warned you there'd be days like these  
But she didn't tell you  
When the world was brought down to your knees  
That

I'll be there for you  
When the rain starts to pour  
I'll be there for you  
Like I've been there before  
I'll be there for you  
'Cause you're there for me too

No one could ever know me. No one could ever see me  
Seems you're the only one who knows what it's like to be me  
Someone to face the day with  
Make it through all the mess with  
Someone I'll always laugh with  
Even at my worst, I'm best with  
You - yeah  
It's like you're always stuck in second gear  
When it hasn't been your day, your week, your month  
Or even your year, but

I'll be there for you  
When the rain starts to pour  
I'll be there for you  
Like I've been there before  
I'll be there for you  
'Cause you're there for me too
