

## Mysterious

### Crash The System

I always thought  
I could figure you out  
One day, baby  
I would never survive  
Without your love  
Yeah I'll be waiting

It doesn't matter  
How long I will wait for you  
'Cause our love is true  
So don't walk away  
I beg you to, stay with me

What can I do  
To get through to you  
I am curious  
I can't figure you out  
Girl you blow my mind  
I am serious, you're mysterious

You never let anyone inside  
So will I be the first one?  
I've seen the boys  
Outside your door  
And they'll be waiting

All this time I thought  
That love was gone  
'Til I met you my love
