

Safety Dance

Crazy Frog

We can dance if we want to.
We can leave your friends behind.
Cause' your friends don't dance,
and if they don't dance, well they're
no friends of mine.

Say, we can go where we want to.
A place where they will never find.
And we can act like we come from out of this world.
Leave the real one far behind.

And we can dance...

We can dance.
We can dance.
Everything's under control.

We can dance.
We can dance.
Doin it pole to pole.

We can dance.
We can dance.
Everybody look at your hands.

We can dance.
We can dance.
Everyone's takin' the chance.

It's Safety Dance.
Oh, what a Safety Dance.
Yes, this is Safety Dance.

Mommy's gettin' hot, gettin' wild,
Gettin' out of control...
Big Daddy's gonna make you scream for more...
Turn up the base, no turn up the sax...

Sweet, sweet thing move it, move it...
Party people in the house do it, do it...
Like a genie in a bottle, gonna make one wish
And get your name on the top of mom's bitches...

Pop, rock, old school Ed's,
Crazy people in that pimp's web...
Like a song higher, ready or not,
Signal that lady that you're on the spot...(freeze)

We can dance.
We can dance.
Everybody look at your hands.

We can dance.
We can dance.
Everyone's takin' the chance.

We can dance.

We can dance.
Everybody look at your hands.

We can dance.
We can dance.
Everyone's takin' the chance.

We can dance if we want to.
We've got all your life, and mine.
As long as we abuse it,
Never gonna lose it.
Everything will work out right.

We can dance if we want to.
We can leave your friends behind.
Cause' your friend don't dance,
and if they don't dance, well they're
no friends of mine.

We can dance.
We can dance.

We can dance.
We can dance.

We can dance.
We can dance.

We can dance.
We can dance.

It's Safety Dance.
Oh, what a Safety Dance.
Yes, this is Safety Dance.
