

# Come Inside

Crazy Town

I'm living by my indecision  
It'll be safe just to walk away  
I'm not looking for a real commitment, I'm not looking for a place to stay  
'Cause this is, were the freaks come out  
Won't hold on, but hold you now  
So we don't have to fall in love, I'm only gonna let you down

Come inside  
Oh, It's just another way for me to tell you  
What's under the surface and what it's really like  
So, just hold it, I am broken on the inside too  
With you, I'm alive

I fell like I should reach to touch you  
Tell me what I see is real  
I wish I had the guts to trust you  
I wish you knew the way I fell  
I am just a broken toy, you're dancin' with the broken boy  
I think you better save yourself  
Put me back upon the shlef and

Come inside  
Oh, It's just another way for me to tell you  
What's under the surface and what it's really like  
So, just hold it, I am broken on the inside too  
With you, I'm alive

I'm living on intuition  
Felt with on borrowed time  
Tied up in the contradiction  
Messin' with my state of mind  
And baby, you're the only real thing  
I know, that I will call you mine  
I'm living in my addiction, so baby just let me

Come inside  
Oh, It's just another way for me to tell you  
Come inside  
Oh, It's just another way for me to tell you (I'm alive)

I'm so perplexed  
They knows meanness  
I wanna let you go, but I'm so obsessed  
And you're so complexed  
They knows meanness  
I'm stuck on you and have to confess  
Just say yes  
Just say yes  
Just say yes  
Just say yes

Come inside  
Oh, It's just another way for me to tell you  
What's under the surface and what it's really like  
So, just hold it, I am broken on the inside too  
With you, I'm alive

I'm Broken inside  
I'm Broken, I'm Broken  
I'm Broken inside  
I'm Broken, I'm Broken
