

## Dreaming

Cream

Dreaming about my love.  
You bring me joy and hours of happiness,  
More or less.  
I dream my life away.

Waiting for you to come.  
Changing my life for you to emptiness,  
Meaningless.  
Minutes just drift by.

I don't care if I get nowhere.  
I can just dream and you'll be there.  
What else is there to do?

Dreaming about my life.  
Where are you now, and when will you  
Come to me?  
I dream my life away.

I don't care if I get nowhere.  
I can just dream and you'll be there.  
What else is there to do?

Dreaming about my love;  
You bring me joy and hours of happiness,  
More or less.  
I dream my life away.

Dreaming, dreaming.
