Cream

Wanna go out, baby, too late at night.
Lawdy mama, no need to worry.
Wanna go out, baby, too late at night.
I got a real funny feelin'
You're gonna treat your daddy right.

Long-legged woman, come and hold my hand.
Lawdy mama, no need to worry.
Long-legged woman, come and hold my hand.
I got a real funny feelin'
You wanna love some other man.

Leavin' in the mornin', you're cryin' won't make me stay
Lawdy mama, no need to worry
Leavin' in the mornin' baby, you're cryin' won't make me stay
The more you cry baby, further gonna drive your daddy away
