

Hey now baby, get into my big black car  
Hey now baby, get into my big black car  
I wanna just show you what my politics are.

I'm a political man and I practice what I preach  
I'm a political man and I practice what I preach  
So don't deny me baby, not while you're in my reach.

I support the left, tho' I'm leanin', leanin' to the right  
I support the left, tho' I'm leanin' to the right  
But I'm just not there when it's coming to a fight.

Hey now baby, get into my big black car  
Hey now baby, get into my big black car  
I wanna just show you what my politics are.

Hey, hey now baby, get into my big black car
