

Sleepy Time Time

Cream

I'm a sleepy time baby, a sleepy time boy.
Work only maybe, life is a joy.

We'll have a sleepy time time.
We'll have a sleepy time time.
We'll have a sleepy time time.
We'll have a sleepy time time.
Sleepy time time.
Sleepy time time all the time.

Asleep in the daytime, asleep at night.
Life is all playtime; working ain't right.

We'll have a sleepy time time.
We'll have a sleepy time time.
We'll have a sleepy time time.
We'll have a sleepy time time.
Sleepy time time.
Sleepy time time all the time.

I have my Sunday, that ain't no lie.
But on Monday morning comes my favorite try.

We'll have a sleepy time time.
We'll have a sleepy time time.
We'll have a sleepy time time.
We'll have a sleepy time time.
Sleepy time time.
Sleepy time time all the time.
