Spoonful

Could fill spoons full of diamonds Could fill spoons full of gold Just a little spoon of your precious love Will satisfy my soul

Men lies about it Some of them cries about it Some of them dies about it Every thing's a fightin' about the spoonful

That spoon, that spoon, that spoonful That spoon, that spoon, that spoonful That spoon, that spoon, that spoonful That spoon, that spoon, that spoonful

Could fill spoons full of coffee Could fill spoons full of tea Just a little spoon of your precious love Is that enough for me?

Men lies about it Some of them cries about it Some of them dies about it Every thing's a fightin' about the spoonful

That spoon, that spoon, that spoonful That spoon, that spoon, that spoonful That spoon, that spoon, that spoonful That spoon, that spoon

Could fill spoons full of water Save them from the desert sands But a little spoon of your forty five Saved you from another man

Men lies about it Some of them cries about it Some of them dies Every thing's a fightin' about it

Every thing's a cryin' about it Every thing's a, everything's a dyin' about it Every thing's a cryin' about it Every thing's a lyin' about it

Spoonful, spoonful
Everybody's a dyin' about it
Alright just tryin' about it

That spoon, that spoon, that Little a spoon, little a spoon, little a Litte a spoon, little a spoon, little a spoonful That spoon, that spoon, that spoonful That spoon, that spoon, that spoonful Every thing's a dyin' about it, yea
