

Take It Back

Cream

Take it back, take it back, take that thing right outa here.
Right away, far away, take that thing right outa here.

Don't let them take me to where streams are red.
I want to stay here and sleep in my own bed.
Need all your loving, long blonde hair,
Don't let them take me 'cos I easily scare.
Take it back, take it back, take that thing right outa here.

Take it back, take it back, take that thing right outa here.
Right away, far away, take that thing right outa here.

I got this great need, the need to stay alive.
Not ashamed of my creed, I've got to survive.
So come on baby, don't go 'way,
Just let them save me for a rainy day.
Take it back, take it back, take that thing right outa here.

I got this need, the need to stay alive.
Not ashamed of my creed, I've got to survive.
So come on baby, don't go away,
Just let them save me for a rainy day.
Take it back, take it back, take that thing right outa here.

Take it back, take it back, take that thing right outa here.
Right away, far away, take that thing right outa here.

I got this thing, I've got to keep it sharp.
Don't go to places where it won't shine in the dark.
So come on baby, don't go away,
Just let them save me for a rainy day.
Take it back, take it back, take that thing right outa here.
