

## Traintime

Cream

See the old train go down the track  
Hear the wheels go clicketty clack  
It's comin' home, comin' home  
Leavin' town baby, ain't comin' home no more

Get the train, you know why I'm leavin'  
No use in greavin', well I'm leavin'  
Well I'm leavin' town  
Leave town, ain't comin' home no more

Traintime baby, traintime almost here  
Traintime baby, traintime almost here  
So give me one more time do dah yeh

Traintime baby  
Traintime baby  
Bye bye baby  
Bye bye  
Bye bye  
Bye bye  
Bye bye  
Bye bye baby
