

## Are You Ready?

Creed

Hey, Mr. Seeker hold on to this advice  
If you keep seeking you will find  
Don't want to follow  
Down roads been walked before  
It's so hard to find unopened doors

Are you ready? Are you ready?  
For whats to come...Oh I said Are you ready?  
Are you Ready?...For whats to come

Hey, Mr. Hero Walking a thin, fine line  
Under the microscope of life  
Remember your roots, my friend  
They're right down below  
'Cause heroes come and heroes go

Are you ready? Are you ready?  
For whats to come...Oh I said Are you ready?  
Are you ready? For whats to come

Ten, nine, eight, seven, six, five, four, three, two, one  
Count down to the change in life that's soon to come  
Ten, nine, eight, seven, six, five, four, three, two, one  
Count down to the change in life that's soon to come  
Your life has just begun  
Life has just begun  
Life has just begun  
Life has just begun

Are you ready? Are you ready?  
For whats to come...Oh I said Are you ready?  
Are you ready? For whats to come  
Oh I said Are you ready?  
Are you ready? For whats to come  
Your Life has just begun  
Life has just begun  
Life has just begun
