## **Freedom Fighter**

The mouths of envious Always find another door While at the gates of paradise they beat us down some more But our mission's set in stone 'Cause the writing's on the wall I'll scream it from the mountain tops pride comes before the fa 11

So many thoughts to share All this energy to give Unlike those who hide the truth I tell it like it is If the truth will set you free I feel sorry for your soul Can't you hear the ringing 'cause for you the bell tolls

## [Chorus]

I'm just a freedom fighter No remorse Raging on in holy war Soon there'll come a day When you're face to face with Face to face with me

Can't you hear us coming? People marching all around Can't you see we're coming? Close your eyes it's over now Can't you hear us coming? The fight has only just begun Can't you see we're coming?

I'm just a freedom fighter No remorse Raging on in holy war Soon there'll come a day When your face to face with me Face to face with me
