

# Hide

## Creed

1. To what do I owe this gift my friend  
My life my love my soul?  
I've been dancing with the devil for way to long  
And it's making me grow old.  
Making me grow old.

R: Let's leave .... oh let's get away  
Get lost in time  
When there's no reason to hide  
Let's leave .... oh let's get away  
Run in fields of time  
When there's no reason to hide

2. What you're gonna do when  
You're gift dear child?  
Give life, give love, give soul  
Divided is the one who dances  
For the soul is so exposed  
So exposed

R: Let's leave...

There is no reason to hide  
There is no reason to hide  
There is no reason to hide  
There is no reason to hide

3. Yeah, let's leave all this and get away  
Get lost in time  
Where there's no reason left to hide  
Let's leave all this and get away  
Run in fields of time  
Where there's no reason left to hide

R: Let's leave all this and get away  
Get lost in time  
Where there's no reason left to hide

No reason to hide  
There is no reason to hide  
No reason to hide  
There is no reason to hide  
No reason to hide
