

Inside Us All

Creed

1. When I'm all alone and no one else is there
Waiting by the phone, to remind me I'm still here
When shadows paint the scenes, where spotlights used to fall
And I'm left wondering: Is it really worth it all?

R: There's a peace inside us all, let it be your friend
It will help you carry on in the end____
There's a peace inside us all

2. Life can hold you down when you're not looking up
Can't you hear the sound? Hearts beating out loud
Although the names change, inside we're all the same
Why can't we tear down these walls? To show the scars we're covering

R: There's a peace...

There's a peace, oh, there's a peace inside us all
Let it be oh, I said let it be, can't it be your friend?

R: There's a peace...

There's a peace inside us all, inside us all
Let it be, let it be, let it be, let it be, let it be,
There's a peace inside us all_____
let it be, let it be, let it be your_ friend
