

# Inside Us All

## Creed

1. When I'm all alone and no one else is there  
Waiting by the phone, to remind me I'm still here  
When shadows paint the scenes, where spotlights used to fall  
And I'm left wondering: Is it really worth it all?

R: There's a peace inside us all, let it be your friend  
It will help you carry on in the end\_\_\_\_  
There's a peace inside us all

2. Life can hold you down when you're not looking up  
Can't you hear the sound? Hearts beating out loud  
Although the names change, inside we're all the same  
Why can't we tear down these walls? To show the scars we're covering

R: There's a peace...

There's a peace, oh, there's a peace inside us all  
Let it be oh, I said let it be, can't it be your friend?

R: There's a peace...

There's a peace inside us all, inside us all  
Let it be, let it be, let it be, let it be, let it be,  
There's a peace inside us all\_\_\_\_\_  
let it be, let it be, let it be your\_ friend  
\_\_\_\_\_. . . . .  
\_\_\_\_\_. . . . .  
There's a peace inside us all
