

# One

## Creed

Affirmative may be justified  
Take from one give to another  
The goal is to be unified  
Take my hand be my brother  
The payment silenced the masses  
Sanctified by oppression  
Unity took a backseat  
Sliding further into regression

One, oh one,  
The only way is one

One, oh one,  
The only way is one  
I feel angry I feel helpless  
Want to change the world  
I feel violent I feel alone  
Don't try and change my mind

Society blind by color  
Why hold down one to raise another  
Discrimination now on both sides  
Seeds of hate blossom further  
The world is heading for mutiny  
When all we want is unity  
We may rise and fall, but in the end  
We meet our fate together

One, oh one,  
The only way is one  
One, oh one,  
The only way is one  
I feel angry I feel helpless  
Want to change the world  
I feel violent I feel alone  
Don't try and change my mind

[3x]

I feel angry I feel helpless  
Want to change the world yeah  
I feel violent I feel alone  
Don't try and change my mind

I feel angry I feel helpless  
Want to change the world yeah  
I feel violent I feel alone  
Don't try and change my mind
