

Say I

Creed

The dust has finally settled on the field of Human Clay
Just enough light has shown through
To tell the night from the day
We are incomplete and hollow
For our maker has gone away

Who is to blame?
We'll surely melt in the rain
Say I, Say I
Say I, Say I
Say I, Say I

The stillness is so lifeless with no spirit in your soul
Like children with no vision do exactly what they're told
Being led into the desert
For your strength will surely fade

Who is to blame?
We'll surely melt in the rain
Say I, Say I
Say I, Say I
Say I, Say I

Say I, Say I
Say I, Say I
Say I, Say I

Frantic, faction, focus
The world breathes
And out forms this misconception we call man
But I don't know him
No, I don't know him
Because he lies..They lie

Say I, yeah
Say I, yeah
Say I, yeah
Say I, Say I
Say I, Say I
