

# Stand Here with Me

Creed

You always reached out to me  
And helped me believe  
All those memories we share  
I will cherish every one of them

For the truth of it is there's a right way to live  
And you showed me  
So now you live on in the words of a song  
You're a melody

'Cause you stand here with me now, yeah  
'Cause you stand here with me now, yeah

Just when the fear blinded me  
You taught me to dream  
I'll give you everything I am and still fall short of  
What you've done for me

In this life that I live  
I hope, I can give love unselfishly  
I've learned the world is bigger than me  
You're my daily dose of reality

'Cause you stand here with me now, yeah  
'Cause you stand here with me now, yeah

On and on we sing, we sing this song  
'Cause you stand here with me

On and on we sing  
On and on we sing  
On and on we sing  
On and on we sing

On and on we sing  
On and on we sing  
On and on we sing  
On and on we sing

On and on we sing  
On and on we sing  
On and on we sing  
On and on we sing

On and on we sing  
On and on we sing  
'Cause you stand her with me  
'Cause you stand her with me
