

What's This Life For

Creed

Hurray for a child
That makes it through
If there's any way
Because the answer lies in you
They're laid to rest
Before they've known just what to do
Their souls are lost
Because they could never find

What's this life for

I see your soul, it's kind of gray
You see my heart, you look away
You see my wrist, I know your pain
I know your purpose on your plane
Don't say a last prayer

Because you could never find

What's this life for

But they ain't here anymore
Don't have to settle the score
Cause we all live
Under the reign of one king

But they ain't here anymore,
Don't have to settle no Goddamn score
'Cause we all live under the reign,
I said, you know, of

One king [3x]

But they ain't here anymore,
Don't have to settle no Goddamn score
'Cause we all live under the reign
I said, you know, of

One king [3x]

But they ain't here anymore,
Don't have to settle no Goddamn score
Cause we all live under the reign
Of one king
