## Chameleon

## **Creedence Clearwater Revival**

You took me runnin' up a wrong way street. When we got there, you said, "Can't you read?" I must be blind, but now and then I see Another number where mine used to be.

## [CHORUS:]

You keep on changin' your face, like a Chameleon. You keep on changing your face like a Chameleon.

I say what's up, and then you say it's down.

I see triangles, and you say it's round, round, round.

Saw an empty glass; you said it's full.

Lord, it's so hot, then you come on cool, cool.
