Effigy

Creedence Clearwater Revival

Last night I saw a fire burning on The palace lawn O'er the land The humble subjects watched in mixed Emotion [Chorus:] Who is burnin'? Who is burnin'? Effigy. Who is burnin'? Who is burnin'? Effiqy. Last night I saw the fire spreadin' to The palace door Silent majority Weren't keepin' quiet Anymore [Chorus] Last night I saw the fire spreadin' to The country side In the mornin' Few were left to watch The ashes die [Chorus] Why? Why? Why? Effigy
