

# Keep On Chooglin'

Creedence Clearwater Revival

[Chorus:]

Keep on chooglin'  
Keep on chooglin'  
Keep on chooglin'  
Chooglin',  
Chooglin'.

Maybe you don't understand it.  
But if you're a natural man,  
You got to ball and have a good time  
And that's what I call chooglin'.

Here comes Mary lookin' for Harry,  
She gonna choogle tonight.  
Here comes Louie, works in the sewer,  
He gonna choogle tonight.

[Chorus]

[primal screaming]

[Chorus]

If you can choose it, who can refuse it,  
Y'all be chooglin' tonight.  
Go on, take your pick, right from the git go,  
You gotta choogle tonight.

[Chorus]

[more screaming]

Oh, we're Creedence!  
Clearwater!  
Revival!
