## **Black Celebration**

## Crematory

Let's have a black celebration Black celebration Tonight

To celebrate the fact That we've seen the back Of another black day

I look to you How you carry on When all hope is gone Can't you see

Your optimistic eyes Seem like paradise To someone like Me

I want to take you In my arms Forgetting all I couldn't do today

Black celebration Black celebration Tonight

To celebrate the fact That we've seen the back Of another black day

I look to you And your strong belief Me, I want relief Tonight

Consolation I want so much Want to feel your touch Tonight

Take me in your arms Forgetting all you couldn't do today

Black celebration I'll drink to that Black celebration Tonight
