

## Takbir

Crime In Stereo

I am the twenty-two year war of the third Intifada.  
I am the faithful, the grateful suicide bomber.  
A daily hajj to a dead end job.  
Brave to give faith to the non-believers.  
We'll work.  
We'll make it work.  
We'll make them all believers.  
A daily hajj to a dead end job.  
Allahu Akbar.  
The next world awaits.
