

Takbir

Crime In Stereo

I am the twenty-two year war of the third Intifada.
I am the faithful, the grateful suicide bomber.
A daily hajj to a dead end job.
Brave to give faith to the non-believers.
We'll work.
We'll make it work.
We'll make them all believers.
A daily hajj to a dead end job.
Allahu Akbar.
The next world awaits.
