

Rockin' Weird

Crime

We're from the United States
We're not a minute late
We're here for you to see
Oh baby can you hear me?

Rockin'--weird
We're rockin' weird--we're rockin' weird

We're here and we're fucked up left
We're here we're fucked up right
We're here and we're fucked up right
Fuckin' up all night

Rockin'--weird
We're rockin' weird--we're rockin' weird

We're from the United States
We're not a minute late
We're here for you to see
Oh baby can you hear me?

Rockin'--weird
We're rockin' weird--we're rockin' weird

I've been up all night--yeah
