```
We're from the United States
We're not a minute late
We're here for you to see
Oh baby can you hear me?
Rockin'--weird
We're rockin' weird--we're rockin' weird
We're here and we're fucked up left
We're here we're fucked up right
We're here and we're fucked up right
Fuckin' up all night
Rockin'--weird
We're rockin' weird--we're rockin' weird
We're from the United States
We're not a minute late
We're here for you to see
Oh baby can you hear me?
Rockin'--weird
We're rockin' weird--we're rockin' weird
I've been up all night--yeah
```
