

San Francisco's Doomed

Crime

San Francisco's doomed, I need me some fun
San Francisco's doomed, I need me some
San Francisco's doomed, I feel real sick
San Francisco's doomed, I need me some kicks

San Francisco's doomed
San Francisco's doomed
San Francisco's doomed
San Francisco, is outta tune

Yeah yeah

San Francisco's doomed, just like LA
San Francisco's doomed, all the kids say
San Francisco's doomed, it's all in the air
San Francisco's doomed, and we don't care

San Francisco's doomed
San Francisco's doomed
San Francisco's doomed
San Francisco, is outta tune

Yeah yeah

San Francisco's doomed
San Francisco's doomed
San Francisco's doomed
San Francisco's doomed
