

## Ascension Pyre

Crimfall

Rise, one as chaos majesty  
Entwined... shadow and fire  
One to voice defiance  
Legions heed  
Zenith of light, Nadir of dark  
Entwined... shadow and fire  
Red flame, red sand, red dawn... Seth!

Hear suns demand  
Wind shaped in words  
Flow shifting sand  
In tones of crimson rebirth

See stars aligned draped in flames  
Rebellion divine, arise, reborn to reign

Rise, one as skein of all fates  
Typhon... born from pyre  
Stir halcyon, calm severe, winds between  
Slithering exiled vehemence  
Typhon... born from pyre  
Resurrection, incarnation  
Black rage, black storm, black god... Ascend!

Hear slaves harangue  
Their defiant words  
Shifting from divine to man  
In tales returning to earth

What once was balance  
Archaic serene  
Hear storms advance  
Song reborn unseen
