

My heart is like winter freezing
I tried to save you, you are so amazing
My feelings were empty so what can I do
Why did you leave (me) when my dreams had come true

Tell me what you wanna wait for
When I lost you I also lost control
everything's shaking in my head.
Why'd you leave me when I can't ignore you
Why'd you leave me when I can't explain
why you don't hold my hand

Maybe 'cause of your friends
Maybe 'cause I don't know how to dance

I wanted this feeling to having you again
Sayin' what we want and walkin' in rain
My heart was so broken, 'cause of you.
For everything different and new.

Tell me what you wanna waiting for
When I lost you I also lost control
everything's shaking in my head.
Why'd you leave me when I can't ignore you
Why'd you leave me when I can't explain
why you don't hold my hand

Maybe 'cause of your friends
Maybe 'cause I don't know how to dance

I waited for you
but my dreams didn't come true

My heart won't belong to you
Everywhere are questions and questions are you.

Tell me what you wanna wait for
When I lost you I also lost control
everything's shaking in my head.
Why'd you leave me when I can't ignore you
Why'd you leave me when I can't explain
why you don't hold my hand

Maybe 'cause of your friends
Maybe 'cause I don't know how to dance

I waited for you
but my dreams didn't come true
I waited for you
I hope you missed me too
