

## Trying Too Hard

Crimpshrine

You need somebody to be with to feel complete.  
So you look for what you need in everyone you meet.  
Loneliness fuels your insecurities, and you think  
"Maybe something's wrong with me..."  
Take a little time to think about something  
Besides trying to find somebody to love.  
Now the days are gone when you didn't care  
What people thought of you, but now you're keenly aware.  
'Cuz if you hide your flaws and play your cards right,  
Maybe you'll find someone to be with at the show tonight.  
How could things have gotten so bad?  
You're looking for someone to remind you  
Of what you once had.  
Now you've lost your identity  
But that's alright.  
Convince yourself that anyone you find  
Is just right.
