

Walk Away

Crimpshrine

Just walk away, turn around
Cuz you can spit in my face
And you can knock me down
And you can talk your shit
But no matter what you say
I'm not going to fight you so just walk away

Well I'm not a coward
But I'm not a fool
And I won't stoop to violence like you
I don't care if I'm a wimp like you say
I'm gonna run like hell so just walk away
