

# Make You Love Me

Crimson Glory

I can make you love me, I can make you want me  
I will take you, make you need me  
I'll tell ya that I love you  
Tell you that I really need you  
I got what it takes to break your heart  
It to break your heart

I deal in pleasure, gonna take you to the promise land  
Come with me sweet honey cuz I melt in your mouth  
And not in your hand, not in your hand

I can make you love me  
I can make you love me  
I can make you want me  
I can make you love me

Make you love me, make you need my love  
Make you need my love, I can make you love me  
Make you love me, make you need my love  
Make you need my love

No escape it's gone too far my love  
(Love me) kill me slowly in your arms Slowly in your arms

I can make you love me  
I can make you love me  
I can make you want me  
I can make you love me

Make you love me, make you need my love  
Make you need my love, I can make you love me  
Make you love me, baby make you need my love  
Make you need my love

Come to me, ah baby, to be thunderous  
I just called to love you to death

Yeah, sometimes love hurts, baby

I can make you love me, I can make you feel it  
I will take you make you need it  
I'll tell ya that I love you  
I'll tell ya that I really need you Tell you anything to steal your heart

I can make you love me  
I can make you love me  
I can make you want me  
I can make you love me

Make you love me, make you need my love  
Make you need my love, oh baby I can make you  
Make you love me, make you need my love Make you need my love
