

## Face To Face

Cris Cab

[VERSE: 1]

Staring at the crowd when you caught my eye  
Time slowly ticking as I keep on standing by  
Baby, If I eyes we can already know  
I'm already thinking of another place to go  
There's a lot of people in a trance tonight  
Playing all the games trying to make you mine  
Getting even closer to the finish line  
Looking over here, I can give you a sign

[HOOK]

Yeah, I'm going to take you to another place  
Yeah, Yeah  
Yeah, so you and I can meet face to face  
Yeah, Yeah  
There won't be no problems  
You, me and the comets  
Nobody will find us  
Yeah, Yeah  
Yeah, so you and I can meet face to face

[VERSE: 2]

People see you staring thinking falling in love  
There always watching and eyes just can't get enough
