In My Dreams

Cris Cab

See, inside my mind
Life flashes when I sleep
It's not all time
oh these secrets I can keep
When my eyes close
You can come along
I don't feel a thing
Stuck in the river
To spend tpo long
Life is just too clean
Hey Hey
What a shame
And it all happens in my dreams
Nothing's ever what it seems
And it all happens in my dreams
You can only imagine what I see
Yeaaaaah
Now I can stay
You waking my bed it's been one thing
These people I create
And I don't know where they end
And in my bedroom
Nothing goes wrong
Safe under these sheets
But I'll be up soon
This sun is too strong
My friends still look for me
And it all happens in my dreams
Nothing's ever what it seems
And it all happens in my dreams
You can only imagine what I see
Eaaaaah (2x)
