

She's So Fly

Cris Cab

She will only stay if you let her fly away
Once a caterpillar, now a butterfly
Iâ€™ve seen her fly fly fly fly
With them wings sheâ€™s so fine
Iâ€™ve seen her fly fly fly fly
Everywhere we goes people stop and look
They love the girl, man she looking so fly
When the broken wings got clipped she learns to fly again
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s so fly
When the broken wings got clipped she learns to fly again
Sheâ€™s so fly
Sheâ€™s the perfect 10
Maybe up to 11
Look closer, shoes so new
Like the mattress of a movie scene
She knows sheâ€™s the star
Sheâ€™s so fly
Weâ€™ll undo it and itâ€™ll make a bum
When she smile just turn me on
Like the worst in my favorite love song
Sheâ€™s something like a phenomenon
Sheâ€™s so fly
She said I never kissed a stranger
I said I never kissed an angel
I got this feeling that I wanna share
Youâ€™re the only one that can take me there
Once a caterpillar, now a butterfly
Iâ€™ve seen her fly fly fly fly
With them wings sheâ€™s so fine
Iâ€™ve seen her fly fly fly fly
Everywhere we goes people stop and look
They love the girl, man she looking so fly
When the broken wings got clipped she learns to fly again
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s so fly
She will only stay if you let her fly away
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s got me dancing stupid
Guess all my words are useless
She knows just how to use it
Shakes her hips, get sushi choose it
And I hope itâ€™s me
Girl you are all I see
The way you move in front of me
Sheâ€™s so fly
So set your body free
And girl come close to me
She said I never kissed a stranger
I said I never kissed an angel
I got this feeling that I wanna share
Youâ€™re the only one that can take me there

Once a caterpillar, now a butterfly
Iâ€™ve seen her fly fly fly fly
With them wings sheâ€™s so fine
Iâ€™ve seen her fly fly fly fly
Everywhere we goes people stop and look
They love the girl, man she looking so fly
When the broken wings got clipped she learns to fly again
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s so fly
She will only stay if you let her fly away
Sheâ€™s so fly
Sheâ€™s so fly
When she catwalks just drive
Brazilian babies, she has more colors than the beeka
Sheâ€™s so hot, baby the hell follows
Cuz they do it too tight, Marilyn Monroe
Seein Tenna, black magic woman
Ancient Cuban, European, middle eastern
All American but then in on the fantasy
Even girls are like dreams to me
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s so fly
When the broken wings got clipped she learns to fly again
Sheâ€™s so fly
Sheâ€™s so fly
She will only stay if you let her fly away
Sheâ€™s so fly
Sheâ€™s so fly
Sheâ€™s so fly
