

# Army Of Darkness

Crisix

What's this, what's that strange sound?  
Look at these evil lifeless eyes  
The spirits of the forest have been taken...  
...her body and her mind

I'll swallow your soul!

After fighting in the pit...  
...a mighty book is the only thing I need  
To take from the altar the book of dead...  
...you must recite the following words:

Klaatu Barada Nikto!  
This is my boomstick  
Klaatu Barada \$&%!  
Fear the dead  
Hail the Army of Darkness!

Hail to the king baby!

A mistake has returned life  
to the skeletons  
They're rising from their graves  
Hell has been unleashed,  
it's a sea of bones  
Damn it! I forgot the following words:

Hive me back the Necronomicon  
Give me back the Necronomicon!  
Give me! The Necronomicon!  
Necronomicon!  
Face the face of the Army of Darkness!  
I want back my Necronomicon!  
I want back the book of dead!  
I want it back!  
Hail the Army of Darkness!
