

Brutal Gadget

Crisix

Under the sea rests a mystery
The mask of an ancient god of jokes
One day a man found it
And his life changed forever...

Mask!

I am ready for the party
The first step is "Coco Bongo"
But I need a Lot of money
Let's go and rob a bank

Let's Rock!

Dressed to kill
Wearing the power of this strange Mask
An awesome thing, the Brutal Gadget!

Brutal Gadget!

All the cops behind my trace
I'm not bad, look at my face
Dreaming of this pretty lady
She's so hot, she drives me crazy

They call me "Cuban Pete"
I'm the king of the rumba beat
When I play my maracas I go chimchikibum chimchikibum
Azucar!

Azucar!

Dressed to kill
Wearing the power of this strange Mask
An awesome thing, the Brutal Gadget!

I am only a simple man
With a simple dream
I must save the girl

Brutal Gadget!
