

# Volcano Face

Crisix

Hey Man! Sit down, put your feet up and  
relax,  
let me tell a tale of misery  
Charlie, Charlie was an outcast little  
teen  
with a serious problem on his face  
Crappy, Nasty, Sticky craters full of hate  
feeling like a fish out of the sea  
Fear, Rage, Anger, Pain  
Walking through the shadows to escape

But in this cruel reign of darkness,  
after all, there is a lovely ray of light  
That ray has a name,  
Do you wanna know the name?  
Listen to the pretty words I sing  
Nancy, Nancy is the girl that I mean  
She's the kind of princess that he needs  
Kisses, Joy, Sex, Caress  
Far beyond dreams out of reach

King of the class  
Stay in the dark  
Volcano! Volcano!  
Forever looking  
behind the glass  
Volcano! Volcano!  
Volcano Face!

"Look out Nancy..."

Here comes your man with a stick  
plan in his mind  
Can you imagine who he's going to infect?  
Charlie realized  
that's his only way of love

Let's mutate her beautiful skin  
Bang! Bang! Bang! Bang!  
Pus explosion on her face  
Nancy say goodbye, Just say goodbye!  
"Bye cheerleaders..." "Hi my sweetie!"  
Welcome to the horror paradise!

Nancy: "What the hell did you do to me,  
you changed my ticket to be loved"  
Charlie: "Now we can dream in our perfect  
paradise"  
Nancy: "I can't look at myself in the  
mirror..."  
Charlie: "Your real beauty is inside you..."  
Nancy: "I'm gonna kill myself, now my life  
has no sense!"

Look my fiend, Nancy is dead!
