

# Procreation

Criss Angel

Automatically, emphatically... is let you know  
I gotta let you go [uh, uh]

Automatically, emphatically... is let you know  
I gotta let you go [uh, uh]

I had a dream  
We're ruled by consciousness  
Undemented eyes  
Blind conditions  
Procreation  
Maybe I'm crazy, but you know I'm not some...  
[Robot] nut job, not another nut job

(Ahhhhhhhh)  
Stretch that skin  
Spit me out  
I'm not you  
Procreation  
(Ahhhhhhhh)  
Rubber room  
Body in the womb  
Spit me out  
[Uh, uh]  
Procreation

I can't forget  
Real life sees... resurrects  
See you, plant a seed  
My stomach gives  
You're inside me  
Maybe I'm crazy, but you know I'm not some...  
[Robot] nut job, not another nut job

(ahhhhhhhh)  
Stretch that skin  
Spit me out  
I'm not you  
[Uh, uh]  
Procreation  
(Ahhhhhhhh)  
Rubber room  
Body in the womb  
Spit me out  
[Uh, uh]  
Procreation

[Spoken] That pisses me off

[Whispered] I'm not a nut job  
I'm not a nut job  
I'm not a nut job  
[Uh, uh, yeah]  
Everyone's a nut job  
But I'm not a nut job  
(Give it to me)  
I'm not a nut job

(Give it to me)  
I'm not a nut job  
Give it to me!

Automatically, emphatically... is let you know  
I gotta let you go.  
I just can't go.  
It keeps suck, sucking me in  
So, here I go  
[Uh, uh]

(Ahhhhhhh)  
Stretch that skin  
Spit me out  
I'm not you  
[Uh, uh]  
Procreation  
(Ahhhhhhh)  
Rubber room  
Body in the womb  
I'm not you  
[Uh, uh]  
Procreation  
I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not, I'm,  
[whispered] nut job  
I'm...  
I'm not a  
Nut job, I don't think so
