## Thrush

(Girl) God I love you... you live to criticize me (whisper) criticize me forget truth, minimize me (whisper) minimize me won't reasure my mind hold what I tried to find I'm just sinking down...down...DOWN But will you call wicked thoughts parlize (parlizing) hate to love partonize (patronize) still won't believe my mind and deep within to time why don't you understand me... me... ME so I let you go I'm drowning in the sea of my mind I'm saving everything I left behind (open your eyes, critize, sacrifice, paralize, finalize) (girl) God I love you so I let you go I'm drowning in the sea of my mind I'm saving everything I left behind I'm drowning in the sea of my mind I'm saving everything I left behind

(critize, sacrifice, paralize, open up your eyes)
